24-Mar-2020

As of 12:01am Tuesday 24-Mar-20 Federal Broach & Machine Company, LLC has shut down operation for the next 3 weeks to conform to the State of Michigan's mandate to close all non-essential business. This is being done to slow the spread of the novel coronavirus (COVID-19) and to help keep our employees protected. As of now we are only expecting to be shut down for 3 weeks and plan on resuming operations on 13-Apr-2020. If the mandate is extended, Federal Broach will notify all effected at that time.

During this shutdown FBC is committed to having key personnel work from home as much as possible to assist with customer problems or concerns. We will continue to do quoting and engineering, as needed.

If you need to contact us, please use the contact link at the top of our website.

We apologize for any inconvenience this may cause. Thank you for your understanding during these difficult times for all of us.

Sincerely,

FBC management
